Dental Plan

You have two Dental Plan options. The key difference between the plans has to do with what's covered, the coverage levels and the premium costs.

- Both plans include coverage for preventive and basic services
- The comprehensive plan also includes coverage for major services and orthodontia
- The premiums are higher for the comprehensive plan since it offers more coverage

SAVE WITH IN-NETWORK PROVIDERS

Both plans have two tiers of network providers (PPO and Premier providers). Your out-of-pocket costs will be lowest if you choose a Delta Dental PPO provider.

To find an in-network provider:

- Go to **deltadentaloh.com**.
- Click **Find a Dentist**.
- Under **Delta Dental PPO and Delta Dental Premier**, click **Search**.
- Select **Delta Dental PPO** from the drop-down menu under **Plan Network**.
